## Army Building Requirements

Please keep in mind this is one of the first events using the 3rd Edition Rules. We are in the wild west period. There are no hard bans at this time but lists are subject to approval of the TOs discretion. If a list feels like its trying to exploit the new rules it may be denied. If you have questions or want feedback on a list please let me know. If your list is denied I will send an explanation!

- You must use the same nation for all three games.
- You will use the same list for each game
- 1,250 Points
- Max 4 Platoons
- Up to 24 Order Dice

## Event Scoring

The overall score for each player will be made up of:

- Battle Score
- Paint Score (Armies must be at least 3 colors, no bare plastic)
- Sportsmanship
- Tie Breaker - Least number of YOUR order dice lost.

## Event rules:

- Event will be played under Warlord Games Bolt Action version 3 Rules in conjunction with the Latest errata PDF.
- If there is a disagreement within the rules players are urged to resolve between themselves. Please use the common sense ‘rule of thumb’ if it seems unrealistic in the real world then it probably is and remember IT IS JUST A GAME!! A TO ruling can be asked for at any time.
- Gaming space for 18 players
- Any further rule changes or highlights will be posted in good time before the event.

## Army List Submission

- The Four Star Open event is meant to bring newcomers and veterans together for a “friendly” tournament. Please leave any **Win At All Costs** attitudes at home!! We look to keep our tournaments fun and whilst healthy competition is encouraged this is not a free license to "break the game."
  - As always we reserve the right to speak with you about your list. If in the TOs opinion it is "OP"/"Broken".
- Lists must be submitted via email to - [killerlitebb2016@gmail.com](mailto:killerlitebb2016@gmail.com) by midnight on November 1st by pdf. Please use [Easy Armies list builder](#) or if you must the Warlord app. If your army is not yet available in those list builds please let me know and use excel to create a list.
  - A 5 point penalty will be imposed for each week or part thereof if late.
- Models tabled must use “What You See is What You Get” ‘WYSIWYG’ guideline. Meaning if a unit has a flamethrower one model must have a flamethrower. Etc

- Copies of the list must be available on the event day for your opponent to look over and ask any questions.
